Find out about:

- **Life** as a trainee teacher & newly qualified teacher
- **Observe** lessons
- **Talk** to our pupils, teachers & current trainees
- **Tour** our outstanding Academy

Testimonial: Claire Walmsley

- My training at Whitburn prepared me 100% for starting my career in teaching. The training provided was tailored to the developing needs of the trainees throughout the year, and included both practical and theoretical based sessions. The school ensured we received the support we needed in order to develop our own practice, such as providing one-to-one coaching to target specific development areas. The resources, training and support at Whitburn were fantastic and helped me achieve an 'Outstanding' grade for my teacher training year. I am so glad I was able to train at Whitburn and would highly recommend their program to provide an excellent foundation for a successful training year.
